

Respect in Sport PARENT: One parent of a new player, regardless of their age, must complete a one-time course online called “Respect in Sport Parent”. The cost of this course is \$12.00 plus HST, and it takes approximately one hour to complete. If a parent has completed this course for an older child already in the system, and now has a new player in hockey, the parent must log back into their existing RIS Parent account, click on “Profile”, then click on “Child Management” and add their child to their profile and click “save”. If the parent forgot their username or password, they can click on the “recover username or reset Password” link on the page to retrieve it. Anyone else can contact me directly for troubleshooting.

<https://hnb.ca/en/clinics/respect-in-sport-parent-program>.

This program was designed to tell me exactly where the parent is in the certification process. If a parent linked their children to their profile, and there are not duplicate profiles for the child in the HCR, it likely means that the parent did not complete the certification process.

NOTE: Respect in Sport Coach and Respect in Sport parent are two separate certifications and are not transferable. Both links are clearly defined on the HNB website.
